Re: City's Request for Qualifications and Proposals for City Services

Questions and Answers:

From IBTS: " Will the questions submitted and their answers be shared and published for everyone to see?"

From Mayor Shelton: " Yes they will." In fact they will be sent by email to each respondent and published on the city's website. Transparency is of the essence in this process, for you the bidder and our citizens.

From CSRS: " Will the sign in sheet be published?"

From Mayor Shelton: " Yes it will." Everything in our offices is considered public record and we will publish any record we feel is pertinent for the citizens.
