

CENTRAL MUNICIPAL SERVICES

--NOTICE--

As of March 23, 2020, the interior of our building is closed to the public. For those individuals needing immediate service, our phone line, (225) 262-5000, is still active. Citizens needing permits, inspections, and licenses etc. can still get these items. Our staff is still eager to assist you. For your convenience, our office has a drop box located at our front entrance. **Before you drop anything into the drop box, you must call our office to indicate what you are dropping.** This service will only occur during normal work hours – 8:00am to 4:30pm. Our office also has video conferencing capabilities for meetings. Please inquire with our staff for more information regarding this new capability.

The following email addresses are also available for your convenience:

Administrative Services

For occupational licenses (new applications/renewals), crash reports, and other general administrative items, please email: admin@central-la.gov

Building Permits/Contractor Licensing
