OPERATION OF A DAYCARE CENTER
(9886 Hooper Road)**

WHEREAS, application has been made by Deandrea Glasper for a Conditional Use Permit on an approximately 0.396-acre lot zoned B-2 (Neighborhood Business District) in order to permit the operation of a daycare center; and

WHEREAS, on August 27, 2019, an ordinance was approved rezoning the subject property and granting a Conditional Use Permit to allow for the operation of a daycare center; and

WHEREAS, the Conditional Use Permit expired when the applicant failed to timely begin using the property for a day care center (or obtain a building or occupancy permit); and

WHEREAS, the area around the subject property includes low density residential, undeveloped property, multi-family residential; and

WHEREAS, a public hearing was held on May 28, 2020 before the City of Central Zoning Commission and the Zoning Commission again recommended granting a Conditional Use Permit for the operation of a daycare center subject to certain conditions;

NOW THEREFORE, BE IT ORDAINED by the Council of the City of Central, State of Louisiana as follows:

Section 1: That the property that is the subject of this Ordinance is legally described in Exhibit A attached hereto and made a part hereof.

The documents and modifications thereto which condition this approval and other conditions are as follows:

1. Hand Drawn Site Plan, undated, marked "RZ-5-19 9886 Hooper Road" and "CUP 2-20" showing fourteen (14) standard parking spaces and one (1) handicap space and designating the rear yard as a "playground."
2. Prior to issuance of construction permits, applicant shall submit plans to City staff for review and obtain plan approval showing that landscaping will be installed screening all parking areas from the street as required by City ordinances and that all side and

rear yards will be appropriately landscaped to screen the uses on the subject property from abutting residential uses. Applicant is encouraged to confer with City Services staff prior to plant installation in order to reach an understanding of what is necessary to “appropriately” screen the uses.

3. All landscaping shall be installed pursuant to the approved plans before an occupancy permit for the daycare center will be granted.

Section 3: The specific terms and conditions of this Ordinance shall prevail against other ordinances of the City to the extent that there may be any conflict.
