City of Central
Budget Address
2019-2020 Proposed Budget

Dear Central City Council members:

I submit to you the budget for the new fiscal year, beginning July 1, 2019. I consulted with our Finance Director, Suzonne Cowart, in preparing this budget. This budget for the fiscal year 2019-2020 represents minor changes from the 2018-2019 budget in several categories. The amounts included within the budget are based on cash estimates. The budget documents attached include anticipated revenues and expenditures for the General Fund and several Special Revenue Funds. I will cover the major aspects of the budget in separate categories below.

GENERAL FUND HIGHLIGHTS

Revenue

Upon reviewing sales tax trends over the past several years, we are only projecting a 1% increase in General Sales & Use Taxes. For the first nine months of the 2018-19 fiscal year, General Sales & Use taxes increased by approximately 0.5% within the city of Central as compared to 2017-2018. Auto Sales Taxes decreased during the first nine months of the 2018-19 by about 2.2% compared to the same period last fiscal year. However, we are choosing to be conservative in our estimate for next year in this category by projecting only a slight decrease.

Occupational License and Contractor License Fee revenues for businesses remained consistent in 2018-2019, and we budgeted a relatively similar amount for the upcoming year. We will continue to pursue those business owners who do not pay their annual license fee.

Under our contract with IBTS, all building and trade permit fees will be retained 100% by IBTS for their cost of operating the permit and inspection office. These fees are established by the city council. In the most recently negotiated contract with IBTS, the city shall receive a 10% reimbursement on all permit fees once the \$200,000 mark is reached. Building permit fees came in lower than expected for the first nine months of the 2018-19 fiscal year; however, we expect for permit fees to remain fairly consistent through next fiscal year due to continued residential development in the city and new commercial businesses that are looking to locate in our city.

We will continue to pursue grants and state appropriations to help fund projects and purchases of equipment for our city. We are working with our state legislators for additional appropriations from the State of Louisiana towards building a new city hall building, and I hope that a selection process concludes with a recommendation for a permanent home and building for a city hall complex in the near future. We

also are pursuing various funding methods for drainage improvements around our city as well as street and beautification projects.

Zoning and Subdivision fees are retained 100% by the city of Central as part of our contract with IBTS. We budgeted a consistent amount compared to last fiscal year, although these fees are difficult to project an exact amount due to the fact that they are based upon applications for new projects.

Total anticipated revenue from all sources, excluding grants and intergovernmental agreements, is approximately \$8.25 million. Our Administrative Hearing fines have generated nearly \$20,000 in new revenue to the city.

Appropriations

The **Legislative** expenses are projected to be slightly higher compared to last fiscal year's budget. This is due to the additional of two more council seats as well as an increase in rent for council meetings at Kristenwood. We have budgeted adequate funding for Education and Conferences in order for council members to keep informed of new laws and training sessions sponsored by the Louisiana Municipal Association and other agencies. Additionally, the cost of all public notices placed in our official journal related to council meetings and ordinances is a cost incurred by the city.

Expenses for the **Judicial/Administrative Hearing process** are included in the budget. This number may need to be revised during the year based upon the number of cases that appear before the court during the year. Hearings are scheduled monthly for next fiscal year. I am requesting a total of \$100,000 for enforcement of administrative orders which involve weed cutting, trash removal, or removal of dilapidated structures if property owners do not comply with the orders.

The **Executive** expenses will remain fairly consistent with last fiscal year. A slight increase in payroll taxes and retirement plan expenses is required.

The **Financial Administration** budget includes making sure our accounting services and legal services are properly funded. There will be a slight decrease in expected auditing expenses next fiscal year. Of course, legal expenses are subject to change based upon new ordinances that need to be drafted and unforeseen matters that may arise during the fiscal year.

City Operations and Services costs will decrease by approximately \$160,000 (3%) due to a renegotiated contract price with IBTS which includes the elimination of several unnecessary positions placed into the contract last year. The contract is budgeted at \$3,990,138 for the next fiscal year.

Planning and Zoning expenses will be reduced next fiscal year by nearly 15% due to the completion of several studies that have been underway. Funding will be provided for professional Master Planning services. This amount could increase during the year if extra services are requested. Our planning staff and our Zoning Attorney, Mark Balkin, will be available to assist with P&Z matters as needed.

General Administration is budgeted to cover the costs of insurance, workers compensation, utilities, telephone and internet expenses as well as general office supplies and small equipment. This category will increase due to the city council's approval of a subscription for live broadcasts of council meetings as well as an increase in general liability expenses and small equipment.

The **Police Department** budget was prepared in conjunction with Chief Corcoran, his staff, and myself. After an initial request for an increase of nearly \$113,000, we mutually agreed to reduce that amount to an increase of approximately \$45,700. This increase is due to the proposed increase in the number of patrol hours provided by part-time paid officers as well as new computer and software purchases to replace outdated equipment. Reductions were made in a number of other areas. The total requested expenditures are \$824,661. This amount represents only a 5.8% increase in the budget compared to the expenditures budget near the end of 2018 prior to the elections, and it also represents the smallest increase since 2014. The chief and his department reassured me that they can live within this proposed budget for at least the next two fiscal years, with allowances for some increase in fixed costs such as insurance and payroll taxes.

In the **Highways and Streets** section, funding is provided for street lighting at major intersections around the city to improve safety at these locations. We also receive funds from the City-Parish as part of the Parish Revenue Sharing for Street Maintenance. These funds are transferred to the Capital Improvements section of the budget. This year, we expect to receive nearly \$80,000 from the parish.

The **Welfare** division is created to fund office space for a Council on Aging in Central. The Legislative Auditor's Office requires this division to be listed under the Welfare category in their list of approved budget titles. Approximately \$20,400 is being budgeted for a location for the Council on Aging which will provide benefits and meals to qualified recipients. This program has been very successful with almost 50 members attending the Council on Aging activities each weekday.

In the **Sanitation** division, \$150,000 has been appropriated for weed-spraying of certain ditches within the city as well as grass cutting along several state highways in the city. The contract for ditch spraying is based upon the contract that the City-Parish awarded to Louisiana Vegetation, Inc. The City-Parish has allowed us to piggyback on their contract amount. However, this contract expires on June 30, 2019, and a new contract will have to be bid which could result in a higher price.

A newly created **Flood Control** account provides for funding for drainage projects (large and small) around the city in addition to drainage work provided by our city services contract with IBTS. \$500,000 is being placed into this account for additional drainage work around the city next fiscal year, and more funding can be placed as additional projects are identified. We hope to receive state and federal funding for projects in the city in cooperation with our state legislators and federal officials.

The **Special Events** category includes public events that may be scheduled around the city as part of quality-of-life for our citizens. Cooking in Central is the official festival of the city, and consideration will be given to other events with the help of community partners. \$15,000 has been budgeted.

Economic Development is always considered important within our city. This fiscal year, we will budget \$35,500 for Economic Development purposes, which includes up to \$25,000 to partner with economic development consultants and the Chamber of Commerce in order to assist us in attracting and retaining businesses and jobs. Additional funding is being requested for publicity and other matters. We will also be partnering with several local businesses and individuals who have pledged to help promote Central with private funding.

Bank Fees in the amount of approximately \$22,000 are budgeted as related to our investments. However, the amount of interest earned far exceeds the expense of the fees.

Several **Intergovernmental Expenditures** with other agencies are included within the budget. This includes sales tax collection fees for the City-Parish Finance Department and East Baton Rouge Animal Control Center contracted services.

The budget also provides **Other Revenues** for interest received, investment earnings, and donations to the city.

This budget also reflects **Other Expenditures** of Furniture and Equipment as well as grant purchases, as well as general equipment purchases that may be needed for the city and the police department. The police department is requesting upgrades to software and computers, and the city is requesting new equipment to replace outdated traffic devices.

After consideration of all projected revenues and expenses in the 2019-2020 budget, it is anticipated that the city will have over \$1 million in unreserved funds remaining that can be used throughout the year if needed.

SPECIAL REVENUE FUND HIGHLIGHTS

Roadway Tax (Half Cent Sales Tax)

Voters in East Baton Rouge Parish approved many years ago a half-cent Green Light Plan sales tax. Central receives its share of this tax on sales taxes collected within the city of Central. Voters approved a percentage dedication of portions of this tax as part of its passage. This tax generates nearly \$1.3 million annually.

Of this amount, 70% is dedicated to new construction. Current use of these funds includes construction designs for improvements to Thibodeaux Rd from Planchet Rd to Morgan Rd. Forte & Tablada is completing the design work, with an anticipated letting date for construction in early 2021 using partial state funding as part of the MPO process. Also, 27% of these funds are dedicated to street rehab and overlay, and 3% to sidewalks and beautification, according to the parish wide vote. Plans for next fiscal year include the rehab of Frenchtown Rd from Frenchtown Acres to the dead-end by the railroad trestle, as well as rehab of several subdivision streets. Beautification projects are planned for the two roundabouts on Gurney Road.

MovEBR Tax (Half Cent Sales Tax)

In late 2018, voters across the parish approved a new half-cent sales tax for new road construction projects as well as traffic signal upgrades across the parish. Included in this project are the widening of Hooper Rd (Blackwater Bayou to Sullivan) and the widening of Wax Rd/Magnolia Bridge Rd. It is anticipated that the widening of Hooper Rd will be included on the first list of projects planned, while the Wax Rd/Magnolia Bridge Rd project will be included on a future list. This project is expected to generate \$1.3 million annually for the city of Central.

Traffic Contributions

The City receives these funds from local subdivision developers to mitigate traffic related matters impacted by their developments as they arise. Because of several new residential developments in the works, we are anticipating contributions in the amount of \$40,600 for this new fiscal year.

Franchise Tax (Emergency Services, Drainage, and Local Road Improvement & Maintenance)

The City now collects franchise fees from Cox Communications, AT&T Video, Entergy, and Demco. Based upon projected revenues provided by each of these entities, it is anticipated that we will receive approximately \$1.6 million annually. The City Council passed a resolution that dedicated 35% of these anticipated franchise tax funds towards drainage projects, 30% towards road maintenance, and 35% for emergencies that may arise during the year. This new category is called the Emergency Services, Drainage, and Local Road Improvement & Maintenance Fund.

The city's Master Drainage Plan has been funded through this account, and additional funds will be included for continued professional services and projects for drainage and roadways.

Capital Outlay & Improvement Fund

This fund account is used to receive funds transferred from the General Fund and Special Revenue Funds for capital improvements such as building, drainage, sidewalks, roads and beautification projects around the city.

Summary

The 2019-2020 City of Central budget that I propose today continues to deliver basic city services as we continue to grow. We have attempted to present a budget that will be helpful in your formulating a financial plan for the next budget year. Many other cities and other governmental agencies are experiencing budget shortfalls this year. This budget projects a surplus, which will place the city in a very comfortable position in having excess funds available for public works and capital improvement projects as well as for unanticipated emergencies and expenditures. I have prepared this presentation to the best of my ability and knowledge of the financial circumstances the city enjoys at this time.

Thank you,

Budget Notes:										

General Sales & Use Tax

The City of Central General Fund receives 2% of the total 5.5% charged for local sales tax. The 2019-20 Budget was estimated to increase approximately 3% over the projected receipts for 2018-19. This is a conservative estimate based on historical figures and growth with consideration of the current state of the national and state economy.

Auto Sales Tax

The City of Central General Fund receives 2% of the total 5.5% charge for local sales tax related to vehicles purchased by individuals and business living and located within the City of Central. The 2019-20 Budget was estimated to be approximately 1% more than the 2018-19 projected totals. This is a conservative estimate based on historical figures and growth with consideration of the current national and state economy.

EBR Industrial Tax

EBR currently collects three mills from the industrial areas in the parish. Effective February 2016, the City of Central was included in the allocation of these funds. The allocations to Baker, Zachary, Central is based upon the population of the latest census. The funds are expected to be received in January/February of each year. The budget for 2019-20 reflects estimated funds to be received.

Insurance Premium Tax

The City of Central receives an insurance premium tax on all insurance premiums for individual and business policies sold within the city limits. The tax is imposed on life, accident, health, fire, marine, transportation, casualty, surety and other miscellaneous premiums. Tax rates are set by state statute. LaMats currently provides collections of these taxes on behalf of the City of Central. The budget for 2019-20 reflects and estimate based on historical figures.

**City of Central, Louisiana
2019 - 2020 Budget**

General Fund - Charges for Services

Budget Notes:

Contractor License Fees	The City of Central charges a Contractor License Fee to all trade contractor providing contracting and repair services within the City of Central. Budgeted amounts are based on historical data.
Occupational License	The City of Central collects Occupational License Taxes from businesses located within the City of Central. This includes all home occupations. Budgeted amounts are based on historical data. Within the past three years, the City of Central has significantly decreased the amount of businesses that were not paying the tax.
Building & Permit Fees	The City of Central requires permitting for residential and commercial projects as well as repairs. Fees for certain project or repairs are flat while others are a % of the project costs. Budgeted amounts are based on historical data.
Zoning & Subdivision Fees	The City of Central collects various fees relating to zoning and subdivision development. This includes rezoning and plan reviews for various development types. The 2018-19 budget reflects an estimate based on historical data.
Public Record Request	The City of Central is required to furnish copies of public records upon request and collect fees for providing copies of the requested public records. The number of request and fees collected vary from fiscal year to fiscal year. The 2018-19 budget reflects a best estimate of the fees to be collected.
Construction Board of Appeals	The City of Central Construction Board of Appeals rules on requests for building code variances. An application fee of \$45 is collected on each application to the Construction Board of Appeals. The number of applications vary from fiscal year to fiscal year. The 2018-19 budget reflects a best estimate of the application fees to be received.
Crash Report Fees	Fees charges for copies of crash reports, photographs, video recordings, etc. related to vehicle crashes within the City of Central that are handled by the Central Police Department. The budget for 2018-19 reflects a best estimate of the fees to be collected based on historical data.
Refunds-All	Refunds are issued to individuals and businesses if appropriate documentation to support a refund is submitted and an overpayment has been determined to have been made or a legitimate reason has been given as to why a refund is warranted. Refunds are issued for occupational license tax, building permits, zoning fees, construction board of appeals, and contractor license fees. The 2018-19 budget represents a best estimate of refunds to be issued.

Budget Notes:											
City/Parish Street Maintenance		The City of Central receives funds from EBR City/Parish Street Maintenance-Baker, Zachary, & Central. The funds received are to provide for the costs of materials and maintenance of local streets and roads located within the City of Central. The funds to be received are currently calculated based on one mill of the property values assessed in the City of Central less certain deductions. These are dedicated funds and can not be used for any other purpose. Effective 2016-17, these funds have been transferred to the Capital Outlay & Improvement Fund.									
Grants Federal - Operating		The City of Central from time to time will apply for and receive federal grants for operating purposes. For fiscal year 2019-20, federal grant funds are not expected.									
Grants - Fire Department		The City of Central has received LGAP grant funds on behalf of the CFD in the past. Grant funds are not expected to be received on their behalf in 2019-20.									
Grants - Police Department		The City of Central Police Department has received LGAP and Homeland Security Grants in the past fiscal years. In 2019-20, the Police Department does not expect to receive a LGAP Grant from the State of Louisiana to purchase various equipment needed for the police department.									
Grants - Operating		The City of Central has received grant funds from the State of Louisiana in past fiscal years. The 2019-20 budget currently does not include grant funds expected from a LGAP Grant from the State of Louisiana.									

City of Central, Louisiana
2019 - 2020 Budget
General Fund - Intergovernmental

Budget Notes:

Grants - Capital

The City of Central has been awarded grant funds from the State of Louisiana designated for capital projects in past years. All future Capital Grants beginning with fiscal year 2016-17 will be handled through the Capital Outlay & Improvement Fund and have been transferred accordingly.

Budget Notes:

Dues & Subscriptions	Dues for council members primarily related to the Louisiana Municipal Association along with any other professional organizations. The budget for 2019-20 is based on historical data from prior fiscal years.
Salary/Wages	Salaries include 7 council members paid at \$800 per month. This includes 5 districts and 2 at large council members. This was effective in January 2019.
Payroll Taxes	Payroll taxes represent the employer's portion of the Social Security and Medicare Tax. The City of Central is exempt from paying Federal and State Unemployment taxes on salaries paid to council members.
Education & Conferences	Fees & costs related to attendance of various educational seminars and conferences throughout the year by the City of Central council members. The budget for 2019-20 is based on historical data and is a best estimate of costs for the fiscal year.
Rent - Meetings	This budget for 2019-20 reflects the annual cost for council meeting held at Kristenwood.

City of Central, Louisiana
2019 - 2020 Budget
General Fund - Legislative Expenditures

Budget Notes continued:

Demographer

The 2019-20 budget does not anticipate the need for expenses related to a demographer. The district work was completed in 2016-17.

Notifications

Costs associated with the required publication of the various council notices in the City of Central official journal. The budget for 2019-20 reflects a best estimate of the cost for the fiscal year. Currently the official journal is The Advocate.

Budget Notes:										

Administrative Hearing Officer

Costs associated with payment of the Administrative Hearing Officer at \$175 per hour for time spent in preparation and review of cases, hearings, and signature of orders. The pending case load varies from fiscal year to fiscal year. The budget for 2019-20 reflects an estimate based on pending cases at the end of the prior fiscal year.

Legal Services

Legal expenditures for prosecution of cases before the Administrative Hearing Officer. The legal services are at \$225 per hour for the attorney. The budget for 2019-20 reflects an estimate based on pending cases at the end of the prior fiscal year.

General Supplies & Office Exp.

Costs of supplies required for the Administrative Hearings and maintenance of legal files related to the cases. The budget for 2019-20 reflects a best estimate.

Enforcement of Admin Orders

Costs associated with enforcement of administrative orders including grass cutting, debris removal, demolition and any other normal costs related to corrective actions taken by the City of Central. The budget for 2019-20 is a best estimate for costs associated to enforcement of administrative orders and blighted properties.

Budget Notes:

Reimbursements-Mayor The Mayor will personally pay for certain expenses related to the City of Central. These expenses include cell phone, mileage for the use of personal vehicle, meals, travel, etc. As a result, the City of Central reimburses the Mayor for those necessary expenses that were paid for personally. The 2019-20 budget reflects a maximum reimbursement to the Mayor of \$550 per month.

Salary/Wages-Mayor The compensation for the Mayor was set at \$55,000 per year. The budget for 2019-20 reflects this amount as no increase is expected by council action.

Fuel & Maintenance The City of Central currently owns one vehicle that is designated for City Hall. Costs such as fuel, oil changes and other routine maintenance is required on this vehicle. The budget for 2019-20 reflects a best estimate based on historical figures and any know maintenance that will be required on the vehicle.

City of Central, Louisiana
2019 - 2020 Budget
General Fund - Executive Expenditures

Budget Notes continued:

Salary/Wages-Admin

The salary for all administrative employees assigned to City Hall is reflected in this line item. A increase of 2% was included in the 2019-20 budget for the Executive Assistant to the Mayor position. The following are the positions and annual salaries reflected in the 2019-20 budget:

	Annual Salary
Executive Assistant to the Mayor	43,498.00
Administrative Assistant	26,000.00
	<u>69,498.00</u>

Payroll Taxes

Payroll Taxes reflects the employer's portion of Medicare tax only for the Mayor, employer's portion of Medicare tax only and State Unemployment tax for the Executive Assistant to the Mayor and Administrative Assistant. The City of Central is exempt from paying Federal Unemployment tax on all employees. The Mayor's salary is exempt from State Unemployment.

Retirement Plan

The employer match for MERS in 2018-19 was 26% and will increase to 27.75% in 2019-20. The city currently does not have anyone participating in LA Deferred Comp. The match is paid only for those employees participating in the respective retirement plans. Full time elected officials, such as the Mayor, are required to participate in MERS.

City Clerk Services

The City of Central currently subcontracts out the City Clerk Position. The costs of the services provided for the 2019-20 fiscal year is \$1250 per month which is reflected in the budgeted amount.

Dues & Subscriptions

The City of Central pays dues to various governmental organizations for the purpose of support and access to information to assist in daily operations of the City of Central. The following was included in the 2019-20 budget:

Louisiana Municipal Association	4,000.00
Capital Region Planning Commission	2,000.00
Capital Region Legislative Delegation	5,000.00
National League of Cities	2,000.00
Miscellaneous	<u>500.00</u>
	<u>13,500.00</u>

Education & Conferences

This includes costs related to attendance of conferences and seminars by the Mayor and employees of the Executive Department. The budget for 2019-20 reflects a best estimate of those costs.

Elections

The City of Central is required to pay the Secretary of State for fees they assess related to election costs associated with elections of mayor, council, and police chief along with costs of run-off or special elections the City of Central may hold. Regular elections are held every 4 years. The City does not anticipate any special elections in the 2019-20 fiscal year. However, the City does anticipate costs associated with hosting an early voting site within the City limits and as a result budgeted accordingly.

City Services Contractor	The City of Central currently contract all services such as public works, permitting, inspections, occupational license tax collections, contractor licensing etc. The current provider of services is IBTS. In 2017-18, the contract with IBTS was renewed for 5 years. The budget for 2019-20 reflects the agreed upon contract price as well as addendums.
Reimbursed Material Expenses	The City of Central will reimburse its City Services Contractor, IBTS, for certain materials used in providing certain services within the City of Central. The budget for 2019-20 reflects an estimate of materials to be reimbursed to IBTS.
Permit Management Fees	As part of the current contract for city services, the City of Central pays a permit management fee to IBTS for permitting management. This management fee is paid for the management of the permitting process which includes issuance of permits and related inspections. The management fees is based on the percentage of completion of issued permits. The 2019-20 budget reflects a best estimate of those fees based on historical figures and amounts due related to permits issued for flood repairs.
Contractor License Management Fees	The City of Central currently does not pay contractor license management fees to IBTS under the agreed upon contract. During the 2019-20 budget, the City of Central does not expect to pay a contractor license management fee.

Budget Notes:

Salary/Wages- Police Chief The salary for the police chief was set by council ordinance at \$26,500 per year. The budget for 2014-15 was reduced to \$1,188 annually per council ordinance. The 2019-20 budget will revert back to \$26,500 annually per the ordinance.

Salary/Wages-Employees Salaries and wages for all Police Department employees are accounted for in the line item. The 2019-20 budget includes the following:

	Annual Salary
Assistance Police Chief	41,600.00
Administrative Assistant to the Police Chief (PT @ 35 hrs/wk)	27,300.00
Part Time Officers (max of 35/wk each; total 280 hrs per wk)	218,400.00
Emergency OT not covered by FEMA	0.00
Part Time Dispatchers (4 @ 35 hrs per wk; total 140 hrs per wk)	94,640.00
	381,940.00

Payroll Taxes The City of Central is required to pay the employer portion of the Social Security and Medicare taxes for the current police chief and employees. As a result, the budget reflects a requirement to pay the related payroll taxes. The City of Central is exempt from paying Federal & State Unemployment taxes for the Police Chief.

**City of Central, Louisiana
2019 - 2020 Budget**

General Fund - Police Department Expenditures

Budget Notes continued:

Retirement Plan

The current Police Chief for the City of Central nor the Assistance Police Chief is not required to participate in MPERS. All other employees are considered part-time. The match for MPERS has been increased to 32.5% for 2019-20. The budget reflects the expenditure accordingly for 2019-20.

Insurance-Worker's Comp

The City of Central obtains worker's compensation insurance each fiscal year to cover employees and reserve officers of the Police Department in the event they are injured while on the job. Risk Management, a division of LMA, currently provides this coverage for the City of Central. Worker's compensation premiums are calculated based on employee wages and a flat amount per reserve officer.

Utilities

The costs of utilities related to the operations of the Police Department are captured in this expenditure. The budget for 2018-19 reflects an estimate based on prior years historical figures.

Rent

The City of Central Police Department will be relocated to the building on Hooper Road in 2018-19. This building is owned by the City of Central and as a result there will be no rent expenditure for 2019-20 fiscal year.

Insurance-Liability

The City of Central Police Department obtains general liability insurance each fiscal year. Risk Management, a division of LMA, currently provides this coverage.

Telephone

The costs of telephone related services for the Police Department are captured in this expenditure. This includes cell phone expenses of \$3500 & \$7080 for cloud based phone services. The budget for 2019-20 reflects an estimate based on prior year historical figures and growth of department.

Internet Services

The cost of air cards for the patrol units of \$10,000, internet of \$1,200 and \$500 for Cable TV for the Police Department. The budget for 2019-20 reflects an estimate based on prior years historical figures and estimated expenditures.

General Supplies & Office Expense

Expenditures related to the office expenditures such as office supplies and a copier lease are captured in this expenditure. The budget for 2019-20 reflects and estimate of the costs for the fiscal year.

Insurance-Vehicle

The City of Central obtains vehicle insurance for vehicles owned by the Police Department. Risk Management, a division of LMA, currently provides this coverage. The budget for 2019-20 reflects the costs of coverage for 18 vehicles and 4 motorcycle patrol units.

Small Equipment

The costs of equipment and furniture purchases less that \$1000 related to the operations of the Police Department are captured in this expenditure. The budget for 2019-20 reflects a best estimate of equipment purchases that may be necessary for the fiscal year and includes the following:

<u>Item</u>	<u>Quantity</u>	<u>Estimated Cost</u>
Miscellaneous Small Equipment		10,000.00
Miscellaneous-Furniture/Fixtures		1,700.00
		<u>11,700.00</u>

**City of Central, Louisiana
2019 - 2020 Budget**

General Fund - Police Department Expenditures

Budget Notes continued:

Weapons

The cost of weapon purchases are captured in this account. The 2019-20 budget reflects estimated weapon purchases as follows:

Miscellaneous	0	5,000.00
Lethal Weapons-Rifles	0	-
Lethal Weapons-Handguns	0	-
		<u>5,000.00</u>

Extra Duty Deputy Labor

The City of Central Police Department currently contracts with the EBR Sheriff office to provide extra patrols by sheriff deputies. The contract amount increased in 2015-16 from \$25 per hour to \$30 per hour. The costs of these patrols are paid directly to the officers providing the patrols. The officers are provided a Form 1099 at the end of the calendar year for tax reporting purposes. the 2019-20 budget reflects anticipated costs related to extra duty patrols.

Law Enforcement Supplies

This account properly captures expenditure for disposable supplies for law enforcement such as ammunition, ticket books, pepper spray cylinders, gloves, etc. The budget amount for 2019-20 reflects an estimated cost of this expenditure based on department requirements and historical figures.

Uniforms

This account captures the costs related to uniforms, vests, raincoats, gun belts etc. The budget 2019-20 is based on the current uniform needs for the 15 reserve officers and current 8 part-time officers.

Bullet Proof Vests

The costs of bullet proof vest purchases are captured in this account. The 2019-20 budget reflects an estimate for the purchase of vests.

Education & Conferences

This includes costs associated with education and conferences attended by the Police Chief or reserve officers of the Police Department. The budget for 2019-20 reflects a best estimate based on prior year historical figures.

Computer Repairs & Maint

This includes repair and maintenance contract costs related to the email server and computers within the Police Department. The 2019-20 budget reflects and estimate of the anticipated costs.

Repairs & Maint-Vehicles & Equip

This includes costs for repairs and maintenance on police patrol units and equipment for the Police Department. The budget for 2019-20 reflects the estimated costs of repairs and maintenance based on historical figures, number of patrol units and current condition of units along with additional units to be purchased in 2019-20.

Repairs & Maint-Building

This includes costs for repairs and maintenance to the leased building that houses the police department as well as pest control and security monitoring. The budget for 2019-20 reflects the estimated costs of these repairs and maintenance based on historical figures and estimates.

This includes cost of fuel for police patrol units for the Police Department. The budget for 2019-20 reflects a best estimate based on historical figures, number of patrol units and estimated hours of patrols.

Budget Notes:

Sidewalks & Crosswalks	This captures expenditures related to sidewalk and crosswalk projects/repairs in the City of Central. All future projects will be handled through the Capital Outlay and Improvement Fund.
Street Lights	The City of Central has street lights for which it is responsible for the utility costs, installation, and repairs and maintenance. The budget for 2019-20 reflects estimated utility and repair costs. Some additional lights are currently planned for installation during 2019-20.
Storm/Street Drainage	The City of Central captures the costs of design and engineering related storm and street drainage projects not funded from a special revenue fund in this expenditure. Beginning in 2015-16, these projects will be captured in the Capital Outlay & Improvement Fund.
Road Safety Improvements	The City of Central had multiple road safety improvement projects in prior fiscal years. The projects were funded by the Curve Safety Grant. Future projects will be captured in the Capital Outlay & Improvement Fund.
Road Studies	The City of Central may periodically incur costs from road studies to determine the feasibility and manner in which improvements to roads can be made. This can include existing and new roadways. Beginning in 2015-16, these costs will be captured in the Capital Outlay & Improvement Fund.
City/Parish Street Maintenance	The City/Parish of EBR provides mills to the cities of Baker, Zachary, and Central to provide street maintenance. This expenditure reflects the cost of the street maintenance with those dedicated funds provided by EBR. The costs for these expenditures will be captured in the Capital Outlay & Improvement Fund beginning in 2015-16.

Budget Notes:										

Emergency

Due to natural and other disasters, the City of Central may incur cost related to the disaster such as debris cleanup. Those cost are captured in this line item. The 2019-20 currently does not reflect estimated costs. Should a disaster arise, the budget will be amended through ordinance.

Drainage

The City of Central will incur costs related to drainage projects such as repairs and improvements. These costs have been transferred to the Capital Outlay & Improvement Fund.

Road Repair/Maintenance

The City of Central will identify local roads that require repair and maintenance within the City of Central. These costs were transferred to the Capital Outlay & Improvement Fund.

City of Central, Louisiana
2019 - 2020 Budget
Emergency Services, Drainage, & Local Road Improvement & Maintenance Fund-Other Revenues & Expenditures

Budget Notes:	
Investment Earnings	The City of Central maintains various investments with Whitney Bank which earn interest and dividends. Those earnings are reflected in this line item and the 2019-20 Budget reflects a best estimate based on current investments with Whitney Bank.
Bond Amortization-Discount	The City of Central may purchase bonds at a discount from time to time when investing funds. This reflects the required amortization of those discounts. The 2019-20 budget reflects an estimate of the bond amortization.
Investment Fees	The City of Central has investments with Whitney Bank for this Fund. The fees related to the investments are reflected in this line item. The 2019-20 Budget reflects a best estimate based on the current investments held and future additional investments.
Transfer to CO&I Fund-Drainage	This reflects transfers to the Capital Outlay & Improvement Fund for various drainage projects. The transfer for 2019-20 currently does not reflect any drainage project estimated costs.
Transfer to CO&I Fund-Rep/Maint	This reflects transfers to the Capital Outlay & Improvement Fund for various Road Repair/Maintenance projects. The transfer for 2019-20 reflects estimated costs for projects.

Half Cent Sales Tax/Roadway Fund-Other Revenues & Expenditures

Budget Notes:	
Penalties & Interest-Sales Tax	Businesses required to charge and collect sales tax are assessed penalties and interest if sales tax returns and payments are filed and paid late. The budget for 2019-20 reflects a best estimate based on historical figures.
Bond Amortization-Premium	The City of Central may purchase bonds at a premium from time to time when investing funds. This refelects the required amortization of those premiums. The 2019-20 budget refelcts an estimate of the bond amortization.
Investment Earnings	The City of Central maintains various investments with Whitney Bank which earn interest and dividends. Those earnings are reflected in this line item and the 2019-20 Budget reflects a best estimate based on current investments with Whitney Bank.
Bond Amortization-Discount	The City of Central may purchase bonds at a discount from time to time when investing funds. This refelects the required amortization of those discounts. The 2019-20 budget refelcts an estimate of the bond amortization.
Investment Fees	The City of Central has investments with Whitney Bank for this Fund. The fees related to the investments are reflected in this line item. The 2019-20 Budget reflects a best estimate based on the current investments held and future additional investments.
Transfer to CO&I Fund-Contruction	This reflects transfers to the Capital Outlay & Improvement Fund for various construction projects. The transfers for 2019-20 include the required match on the Thibodeaux Road Project related to final plans.
Transfer to CO&I Fund-Rehab	This reflects transfers to the Capital Outlay & Improvement Fund for various construction projects. The 2019-20 budget reflects transfers to Capital Outlay & Improvements for rehab projects to include the end of Frenchtown Road and Huntley Place.
Transfer to CO&I Fund-Beautification	This reflects transfers to the Capital Outlay & Improvement Fund for various beautification projects. The required transfers for 2019-20 related to landscaping of the roundabouts of \$20k and new sign for Central Thruway of \$5K.
Other Financing Uses-General Fund	This refelects transfers to the Half-Cent fund to the General Fund to be used on projects that are funded through grants or federal funds and require a match.

Budget Notes:

City/Parish Street Maintenance

The City of Central receives funds from EBR City/Parish Street Maintenance-Baker, Zachary & Central. The funds received are to provide for the costs of materials and maintenance of local streets and roads located within the City of Central. The funds to be received are currently calculated based on one mill of the property values assessed in the City of Central less certain deductions. These are dedicated funds and can not be used for any other purpose. The 2018-19 budget reflects an estimate of funds to be received.

Federal Grant-Capital

The City of Central from time to time will apply for and receive federal grant funds for capital projects. Federal grant funds are not expected for the 2019-20 fiscal year.

State Grant - Capital

The City of Central has been awarded grant funds from the State of Louisiana designated for capital projects in past years. The 2019-20 budget represents the following grant funds that are estimated to be received from the State of Louisiana:

Administrative Building Grant-Design (Balance)	0.00
Administrative Building Grant-Bid Process	6,225.00
Administrative Building Grant-Construction Aministration	43,575.00
Administrative Building Grant-Construction	399,500.00
Total Grants Estimated	449,300.00

***The State has significantly reduced the funding on the projects listed above.
