From: Mayor David Barrow
Date: March 17, 2020
Re: Coronavirus Alert

The Coronavirus has caused not only our city, but our entire country to make drastic decisions to protect everyone including limiting contact with others and social distancing.

Effective immediately and continuing until April 13, 2020 or upon re-evaluation, the City of Central City Hall and our Municipal Services Center will be closed to the public. The lobby of our Municipal Service Center will be open for the public to drop off needed permit or licensing information. Our Police Department lobby will remain open to the public. All offices can still be reached by telephone or by email.

City Hall: 225-261-5988
Central Police: 225-367-1254
Municipal Services: 225-262-5000

Permits and business license departments will operate on appointments only by calling that department at 225-262-5000 in advance.

The Planning & Zoning and BOA meetings on March 26th are cancelled, and the city council meeting scheduled on March 24th will be cancelled for public safety and health reasons, and items will be rescheduled for the next regular meeting.

At this time, all garbage pickup and recycling collection will continue. It is strongly urged that all residents over age 65 or those with medical conditions remain distanced from the public in safe surroundings. The President has urged that we refrain from gatherings of over 10 people, and that we protect those who are elderly and have medical conditions as much as possible by remaining at home.

I will continue to keep you updated as news progresses. Please continue to check our Facebook page and website for any changes.
